ORGANIZERS

Central South University

Central South University (CSU) is located in Changsha, Hunan Province. It is one of the 31 universities directly administered by the central government, a key university under Project 985, one of the first universities included in Project 211, and one of the first leading universities under the 2011 Plan. CSU has ranked among the world's top 100 universities in the Academic Ranking of World Universities (ARWU) for three consecutive years. In 2025, it ranked 13th in China and 146th in the U.S. News Best Global Universities Rankings 2025–2026.

Website: www.csu.edu.cn/

Economic Science Society

The Economic Science Society (ESS) is dedicated to advancing the frontier of causal inference to ensure economic insights are grounded in scientific rigor. ESS promotes methodological diversity, spanning the development of novel estimators for observational data, innovative experimental design and analysis, and the integration of AI into causal research. By prioritizing rigorous identification, ESS empowers evidence-based policy for the global good.
